

Inotera Announces Change in Executive Management Team

Mr. Scott Meikle appointed as Executive Vice President

Taoyuan, Taiwan (R.O.C.), May 27th, 2010 — Inotera Memories, Inc. (TWSE: 3474) today announced the appointment of Mr. Scott Meikle as Executive Vice President effective June 1st, 2010. Mr. Meikle replaces previous EVP Mr. Michael W. Sadler, who will remain involved as a member of Inotera's board of directors.

Prior to joining Inotera, Mr. Meikle was Factory Manager at Micron Japan since September 2005, and from 2002 till 2005, he served as 300mm Pilot Line Manager of Micron Technology Virginia. Mr. Meikle joined Micron in 1991 after receiving his Ph.D. in Engineering Physics from Shizuoka University, Japan.

"We are delighted to have Scott join Inotera as part of the leadership team. His unique experience in R&D and wafer fabrication operations will certainly contribute to Inotera's continuing growth and success. We are looking forward to working with him." said Charles Kau, President of Inotera Memories Inc. and added "We are grateful for Mike's tremendous contribution in helping to set up the new partnership with Micron, raising capital and implementing the new technology. We all wish him well in his new responsibilities."

About Inotera

Inotera Memories, Inc. was incorporated on January 23rd, 2003. Inotera's production facilities are designed to manufacture high-density and high-performance DRAM (Dynamic Random Access Memory) products using state-of-the-art technology. The combination of world-leading technology transferred from its technology partners and local cost-efficiency in mass production has resulted in an innovative company that is highly productive, highly competitive and at the leading edge in the DRAM industry.
